CR 111-305

O R D E R

Now before the Court is a motion from Defendant Etsho Ilunga asking this Court to pardon him for his convictions and drop the charges against him so that he may join the Central Intelligence Agency (doc. 65). Under the United States Constitution, however, it is the President, and not this Court, that holds the power to grant pardons. U.S. CONST. art. II, § 2, cl. 1. Accordingly, Defendant's motion (doc. 65) is **DENIED**.

ORDER ENTERED at Augusta, Georgia, this 5th day of March, 2015.

HONORABLE J. BANDAL HALL
UNITED STATES DISTRICT JUDGE
SOUTHERN DISTRICT OF GEORGIA
